

Position Description

Title: Registered Nurse (RN)

Reports to: Clinical Supervisor

Primary Location: Home Program

FSLA Class: Non-Exempt

Supervises: None

Effective Date: 12/16/2010

Position Summary:

The Registered Nurse (RN) is responsible to provide quality, cost effective hospice nursing care, within an interdisciplinary team, in a competent holistic manner for an assigned group of patients, through assessment, planning, implementation and evaluation of nursing care; to empower patients and families to achieve maximum levels of comfort and independence.

Qualifications:

1. Education: Graduate of an NLN accredited nursing program; BSN or CHPN preferred.
2. Experience: Minimum of one year of RN experience preferred. Home care, hospice and/or oncology nursing experience preferred.
3. License/Certification: Registered Nurse licensure by the State of Maine; valid driver's license with an automobile that is insured in accordance with state and/or agency requirements and is in good working order.

Essential Duties & Responsibilities:

1. Performs all duties and responsibilities in accordance with the Nurse Practice Act and in accordance with basic principles and guidelines of professional nursing.
2. Evaluates patients for hospice and hospice house eligibility per benefit coverage allowance.
3. Upon admission and throughout the period of care, continually evaluates appropriate care plan for the patient, involving the patient and family in decisions. Implements physician orders in accordance with plan of care.
4. Applies nursing principles and techniques in the treatment of patients. Provides nursing care, emotional support and education to patients and families; encourages patients and family members to participate in the patient's plan of care to meet established goals.
5. Supervises the care provided by the Home Health Aide (HHA) based on the patient's plan of care.
6. Utilizes basic computer skills to access medication information and document in electronic medical record as required.
7. Promotes teamwork by participating actively and appropriately as a member of an interdisciplinary team. Shares essential patient information with all members to coordinate care.
8. Collaborates with other members of the IDT in coordinating care to be efficient and financially responsible. Evaluates plans of care and makes adjustments as needed to meet goals.
9. Makes appropriate referrals for other discipline services to meet patient care needs in a timely manner. Coordinates care of patients with a variety of disciplines and community resources, both internal and external in a fiscally responsible manner.
10. Collaborates in a positive manner with physicians in delivering care to patients. Keeps physicians and other personnel informed of patient needs and changes in status by appropriate means and as quickly as the situation warrants.
11. Recognizes, addresses and documents changes in patient status and patient related problems. Informs supervisor of these concerns in a timely manner.

12. Completes and submits documentation within agency timeliness policies that is complete, legible, and clearly reflects care given.
13. Provides hands on nursing care for a diverse group of patients as assigned
14. Maintains agency guidelines for number of days worked and weekend/holiday rotations, productivity and timeliness. Seeks supervisor input when caseloads and patient acuity widely fluctuate.
15. Utilizes appropriate resources to maintain knowledge and skills for the hospice care in all settings including regulatory/reimbursement guidelines and integrates into clinical practice.
16. Participates in weekend, holiday and on-call coverage as necessary.
