

Trail of Memories

Knowing that you've suffered a loss in the recent past, we invite you to memorialize your loved one with an engraved brick in the *Trail of Memories*.

Hospice of Southern Maine collects personalized brick dedications from families who wish to celebrate a life. Bricks are planted each spring in our *Trail of Memories*, which extends outward from the southern terrace at the Gosnell

Memorial Hospice House, enhancing a peaceful, reflective garden space for all to enjoy.

Many who have suffered a loss find this to be a transformative

experience and a positive step in the process of healing as well as a quiet reminder of someone who has left a permanent imprint on their lives.

We invite those who have lost loved ones in our care either at home or at Gosnell to participate in Trail of Memories with a suggested gift of \$500. Your gift supports Hospice of Southern Maine's mission of compassion, care and comfort through end of life.

Brick orders for the Trail of Memories must be made before May 15th in order to ensure their availability for this year's Trail Dedication in June.*

Hospice of Southern Maine is a nonprofit 501(c)(3) organization, and your gift is tax deductible to the extent of the law. **For more information, please contact the Development office at (207) 289-3643, or visit us online at www.hospiceofsouthernmaine.org/trailofmemories.**

* Check our website for date of the event. Invitations will be mailed in the Spring.
